

Eastern Star Home & Star Court Suites for May 23, 2018

Congratulations to the Eastern Star Home Spelling Team for their winning performance at the National Nursing Home Week Competition hosted this year at our facility. Thank you to the staff and residents from the Redfield Care and Rehabilitation Center for joining us on Friday, May 18th for an enjoyable afternoon. Each facility selects a team of their five best spellers who compete for the traveling trophy. What great talent we had this year with the competition lasting over an hour.

We thank the Gilbert Gals for hosting our monthly cooking class on Thursday afternoon. We enjoyed tasting their deep fried pickles.

Our special music the past week was provided by our friends “The Frankfort Trio”. They always draw a big crowd for their musical entertainment. Wednesday evening we were treated to fun with the Congregational “Feed Your Soul” ladies. They had a style show, skit, sing-a-long, refreshments and conversation.

Our activities the past week included, Bingo, Arm Chair Yoga, folding recycled plastic bags for The Banquet in Sioux Falls and watching the movie “Blondie & Dagwood”.

Our deepest sympathy is extended to the family of Earl Schultz who passed away on May 17th. Visitation was held in the Eastern Star Home Chapel on Monday, May 21st.

Please check out the Eastern Star Home FACEBOOK page and be sure to LIKE us. Many pictures are posted of fun times at our facility.
