

Grand Chapter of South Dakota
Order of the Eastern Star

November 20, 2024

Dear Star Family,

We want to wish all our Sisters and Brothers a blessed holiday season. The Lords gift to all of us was the birth of his only son, Jesus, who he sent to die on the cross for ALL our sins, and we give thanks and gratitude to our Lord for this most precious gift. This holiday season we have this and so many other blessings to be thankful for.

As you look ahead to this Joyous Christmas Season may you discover anew the splendor of the Star in the song "Hark the Herald Angles Sing". May you find all that you seek - faith, hope and a deeper understanding of charity and brotherly love.

We hope the blessings of this holiday season will remain through the coming year, and with the brilliancy of the Star in the East, may the days be linked together into a golden chain, kept lustrous with the divine love for which the Prince of Peace was born.

Give thanks to the maker of the stars and enjoy this holiday season.

Star Love to all,

Grace Bick
