**O**ur “How Sweet It Is To Be A Dad Like You” Fathers Day Party was attended by family and friends on Monday afternoon. We had a lunch of sandwiches and an assortment of goodies to dip in a milk chocolate fountain. Entertainment was provided by our favorite entertainer Bob Styles. On Tuesday we played bingo. Today we took vans full of shoppers to downtown Redfield to meet up with a personal shopper to check out the shops. We are so thankful to have such wonderful volunteers to help with this long awaited outing. Mark Remily will bring us an afternoon of music and fun at 3pm. At 7pm we will join together for an evening of bingo with Kayleigh Disbrow. We will make our way over to Crystal’s Bar on Thursday at 3pm per vans, a ranger, wheel chairs & walkers for an afternoon of fun conversations, a little casino time and ice cold beverages of choice. Come on down and join us it is so nice having people stop over to our tables to visit. On Friday we will celebrate Sue Esser’s birthday along with “It’s Five O’Clock Somewhere”. We will serve honey mustard pringles with ham sandwiches along with a special drink of the month. The weekend agenda will be bingo and cards on Saturday and on Sunday Pastor Rey Colon will lead the worship service at 3pm.

We all hope you had a wonderful Father’s Day and are having a great week.
