

Eastern Star Home & Star Court Suites News

On Monday family and friends celebrated with two lovely ladies Eldy Haskell and Sue Esser for their birthdays. We served hot fudge brownies with a cherry on top for their birthday treat. Bill Green joined the guys at men's table time on Tuesday afternoon followed by bingo. Today we will be taking residents to the Family Dollar Store from 9:30am – 11:30am. It's nice to see what's available and just different scenery. At 3pm we are hosting an early birthday party for Sandy Woodring with music by her favorite singer Bob Styles. She went shopping this morning to pick out boxes of candy for her birthday treats. On Thursday we will be holding our Annual Rummage Sale 8am – 4pm in our west garage. We have a nice variety of items. All the proceeds will go towards a new recumbent bike for the Nursing Home Restorative Department. The Friday activity will be Lawrence Welke on the dining room tv. A few of the men that love those red tractors will be going to the Red Power Roundup 2026 at the South Dakota Fair Grounds in Huron. For the weekend events we will be playing bingo and cards on Saturday. On Sunday we will be holding our Father's Day Party at 4pm in the chapel. Pastor Derek Runge will be sharing about his visit to the Ark Encounter & Creation Museum. Following we will join together in the dining rooms for a grilled hot dog and hamburger picnic. We have 17 fathers residing here which is an all time high so we hope to have a great attendance. Your loved one would love to have you join them for the afternoon and supper.

Our Quarter Auction was so much fun! The night was such a success because of our volunteers, the Boy Scouts, awesome attendees, and generous donators. What a bunch of caring and giving people. We had 119 auction items, 6 raffle items, sold 141 auction paddles, had 8836 quarters bid and brought in over \$6500.00. Thank you so much. Check out our Facebook page for pictures of the event and upcoming activities.
