

Eastern Star Home & Star Court Suites News

On Monday we started the day with manicures in the Assisted Living Dining Room. Pretty polish makes the ladies feel special. The afternoon activity was Christmas Gift Show 'n Tell. It is so much fun seeing how excited the residents are to show off their variety of gifts. On Tuesday Pastor Derek Runge from the Tulare United Church joined our residents for 10am coffee time and visiting. It went so well he hopes to do it monthly. At Men's Table Time Lyle Wegner joined in with the latest happenings. The afternoon activity was a Hymn Sing with Lisa Haigh and Lyn Flint on the piano. They enjoyed singing their favorite hymns. Today we will be getting the cards out for an afternoon of card playing. On Thursday the Gilbert Gals will be leading busy fingers for craft time. We will end our week Friday with 5 O'Clock Somewhere. The residents have the opportunity to try the specialty drink of the month or any beverage of choice while eating a salty snack. On Saturday we will be playing bingo and cards and on Sunday we will have Pastor Derek Runge from TUC leading our worship service.
