

Eastern Star Home & Star Court Suites News

In honor of National Ice Cream Sundae Day the Waddington Sisters helped us serve sundaes with a variety of toppings. While we enjoyed the tasty ice cream that was donated to us by Noah Felderman from his business "Feldy's Ice Cream" out of Lake Poinsett we discussed what we are thankful, grateful and blessed for. On Tuesday we held our Veteran's Day Vendor Fair in the Masonic Building. The residents loved the opportunity to shop and browse through all the fun items. In the afternoon we watched a Veteran's Day Service and recognized our Veteran's. Today Diann Brenner and Donna Haigh will lead our cooking class. They will be making "Carmel Apple Crisp Nachos". A delicious fall snack that everyone will enjoy. The Tulare FAC's Students came Thursday for mock interviews. A great time for them to experience the process and hopefully it entices them to apply. Fancy fingers will be held for the residents throughout the facility to pamper their nails up for the holidays. At 2:30pm we will be watching the "2025 Core Kinetic Dance Recital" dvd while nibbling on popcorn, Halloween candy and drinking pop. If you stop in Friday for a visit you may be surprised to see staff and residents in their pj's. At 3pm we will be sharing stories about our Teddy Bears we brought for show and tell. Lisa Haigh will be calling bingo on Saturday afternoon and they will playing cards in the evening. Pastor Ted Price will be leading the Sunday worship service at 3pm in our chapel.

Thank you to everyone that came to our Vendor Fair. Follow us on our Facebook page for pictures of our latest happenings.
