

Eastern Star Home & Star Court Suites News

On Monday we played “Word Oasis” a fun game challenging our minds. Dave Willis joined the men’s table time Tuesday afternoon. Today in memory of Marlin Flint’s love for music his wife is having Bill Schwan share his accordion music with us while we eat his favorite snack of ice cream. At 7pm we will be playing bingo in the Assisted Living Dining Room. While the Activity Director Lisa Haigh, Activity Assistant Marsha Hofer and the Administrator Debbie Bowar are at the State Fair working the Admission Gates our Gilbert Gals are helping us out in activities. They will be doing a Mt Rushmore question and answer activity Thursday afternoon at 3pm. Our Friday afternoon activity is “Whatever You Want?” The options are unlimited. Cards, games, movies, penny dice, patio relaxation, a nap, read a book, do a word search, coffee time, conversation or listen to music. For the weekend activities we will be playing bingo and cards on Saturday. On Sunday Pastor Keith Kraft will be leading the worship service.
