On Monday we worked on homemade cards for Grand Chapter. Our creative volunteers came with great ideas and helpful fingers. Men's Tuesday Table Time was held in the Assisted Living Dining Room with Lyle Wegner joining them. Following men's table bingo was played with Savannah Risetter as the caller. Today we will be doing fancy feet for the Assisted Living Residents. A great time to pamper them and spend some time visiting. In the afternoon we will have time reminiscing through story sparkers. At 7pm we will have night time bingo. Thursday starts with rosary at 9:30am and the Congregational Church Service online at 1:30pm. In the afternoon we will be playing fun games. On Friday Mass will be held in the chapel at 9:30am. At 3pm we will be making layered pumpkin crafts with Tracy Pochop for Grand Chapter. The weekend activities will be bingo and card playing on Saturday and on Sunday we will have Pastor Adrian Timmons leading our Worship Service.

Come visit us any time. Follow us on our Facebook page and check out a fun song sang by the Yelduz Shrine Chanters.
